GMG:

STAT [redacted] called at 1105 to say:

Brock spoke with Andrews OSD/OGC this morning. They concluded:

DepSecDep Ellsworth's 25 Jun 75 letter to DCI has no relationship to proposed DCID 1/19 (Zach: inspite of what CIA lawyer said the other day).

They are anti taking Sensitive out of Warning Notice since it involves rewriting so many other documents.

Would probably serve no useful purpose to get together with other lawyers but he will attend if invited.

STAT [redacted] still feels his footnote solution better.

Mary

1120:
Brock + Andrews writing a memo to
STAT [redacted] explaining the above. Zacharies
will send a copy to us this afternoon
or tomorrow morning, but to be hand delivered.
